EXPERIENCE

CURRENT PROJECTS

❖ MelonySmith.net

MelonySmith.net is my personal, on-line portfolio. I started this site in March of 2017 as my final project towards my degree. I created this site using HTML5, CSS3, and Javascript.

❖ HeartandSouImages.com

Heart and Soul Images is the on-line portfolio of photographer Chan Hebert. I created this site using HTML5, CSS3, and Javascript. Since it's inception in January of 2017, this site has undergone a complete overhaul and will be known as Plum Crazy Images.

➤ PlumCrazyImages.com

Plum Crazy Images, formerly known as Heart and Soul Images, was founded in April of 2017. Although this site has not officially launched, I have been helping with the HTML5 and CSS3 customization of a pre-designed template.
